If there's one thing Camilla loves, it's fooling around outdoors!

I know most girls like to fuck around in their bedrooms or sometimes in a car, but I like to do it outside! There's nothing better than feeling a cool breeze against my pussy and asshole. And when my tits are exposed, my nipples get all hard which gets me extra horny! Of course, the second my pussy starts to get wet, the fresh air makes my wet spots even cooler, and that gets me really going! That's when I can't wait to have some cock in all of my holes! Any guy who likes to get it on outdoors is the one for me!

HOTEL HUMMING!

I'd never really had a proper boyfriend, but when I met Danny online I fell for him straight away. We met in an online gaming room and had so much in common, I knew way before we met that I wanted him to be my first. After flirting online for almost a year, Danny flew out to meet me. I still live a home even though I'm eighteen, so I told my folks I was staying at a girlfriend's, even though I knew I'd stay the night at his hotel.

I met Danny at the airport and straight away we clicked. He hugged me and I could feel his thing pressing against me. We took a cab to the hotel and it took like forever to check in. I just wanted to be alone with him. He kept looking over at me and I could tell he liked what he saw, I was wearing super tight jeans that made my butt look awesome and a low-cut shirt that showed off my little titties.

We got in to the elevator and started making out, his hands were on my breasts and it felt amazing. The doors opened and we rushed in to the room. I had thought that we would take it slow but the minute I saw him I knew I wouldn't be able to wait. We carried on making out on the bed then he pulled off my shirt, then my bra and kissed my titties. He sucked on my little nipples until they became hard as cherry pits. It felt so good, I felt like I was melting between my legs. He pulled off my pants and underwear so that I was just there naked before him. He told me how hot I looked then got naked. His thing was just bobbing there ready for action and it looked huge. I wondered how it was ever going to fit inside me! Danny put his mouth on my pussy and started licking. I was all hot and fluttery, it felt like I was gushing wetness on to his tongue.

Then he climbed up and kissed me, I could taste myself on him but it wasn't gross, it just turned me on even more. Danny pushed his dick at the entrance to my sex and asked if I was ready. 'Uh huh,' I said, scared but so excited. He pushed gently inside me and I felt myself stretching to take him deep inside. It felt so amazing, I'd never, ever felt so happy as when his dick was buried inside me like that for the first time.

Danny slowly rocked in and out of me, telling me how tight I was, how he'd never been inside such a beautiful hot pussy before, and I loved that I turned him on so much. I clung to him as he fucked me so deliciously for that first time, until he came off inside me. That was the first of many times we fucked that night, and Danny showed me stuff I'd never even heard of. I'm planning to visit him next week, because there's so much more I want him to teach me.

LESBO SURPRISE!

Vienna was totally the hottest girl at high-school, and all the guys wanted to screw her. So did I, but I never thought she was in to girls until she threw a pool party at her place the summer after we graduated. She was flirting with everyone wearing this indecently tiny pink bikini

and just looking at her long legs and perky ass was making me hotter than hell. I decided that I needed so privacy, so went to find somewhere I could, ahem, help myself out and headed one of the bedrooms upstairs.

I lay back on the bed and slipped a finger inside myself, imaging it was Vienna's fingers instead, though really I'd been the only one to touch my cunny. I closed my eyes and started grinding my hips against my hand, I was bringing myself off quite nicely when I heard the bedroom door click shut- someone was in the room with me. I opened my eyes to see the Vienna licking her lips as she watched me fingering myself.

"My my," she said, "Do you want some help?"

I couldn't believe my luck. I nodded shyly and Vienna climbed up on the bed with me. She pulled my bikini aside and sunk between my thighs to give me head. Her hot tongue was stiff against my clit, flicking and probing all over my cunny lips before pushing inside me. I came off explosively, whimpering and shaking.

Vienna told me I should return the favor and pulled off her pink bikini panties to reveal a perfectly shaven pussy, puffy pink lips glistening with her juices. She sat on my face and I lapped eagerly at her cunt, not knowing what I was doing but loving every second of my lesbian fantasy come to life.

She writhed on my face, dripping in to my mouth, grabbing at my boobs and squeezing at my nipples. I couldn't believe how much she was cumming, it was so intense. She climbed off me and said she'd be right back. I lay there just totally spaced out until she came back brandishing a dildo, telling me that she wanted to fuck me with it. I was in heaven.

I spread my legs wide and she pushed her toy in and out of my virgin cunny. I was soon moaning and crying out with pleasure like I'd never known before. Vienna really knew how to work on me, I was completely under her spell. Too soon she was pulling away from me, our games over, because someone was calling her name from downstairs.

She disappeared and left me there. It took a lot to move from that bed, and finally go home. I hoped that I'd get a chance to play with Vienna again, but too soon the summer was over and we both left for college. I'll never forget her though; the image of her perfect pussy will haunt me forever!

Dora's done it twice before, but she hasn't had any orgasms! Let's see if the third time's a charm!

The first two times I had sex it was okay. Yeah, I was nervous to lose my virginity, and I guess I was too anxious to really enjoy it, but by the second time, I just wasn't feeling it at all! So, I dumped my boyfriend and got a new man! So, the first time we fucked it was like the entire world opened up before my eyes! This new dick stuffed into me like nobody's business! He's way old, too, like 31, and he spends hours licking my holes! And when it's time to get down to serious fucking, he's knows how to get me off! I've never screamed so much in my life!

Do you ever wonder what happens at those sleazy beach hotels when a group of girls can't find any cock around? Check out these exclusive hotel party pix!

A photograph of three young women in a hotel room. One woman with blonde hair is lying on her side on a white pillow, looking towards the camera. Another woman with dark hair is lying on her back, looking up and smiling. A third woman is lying on her side, partially obscured, with her hand on the dark-haired woman's shoulder. They are all wearing casual clothing, including a white tank top and a pink and white patterned top. The room has white walls and a blue and white striped blanket.

Sandra and I met up with Jane at this shitty hotel off the boardwalk and it was fucking awesome! Not because a bunch of guys came over with beer and we all got hammered, it's 'cause we totally fucking made out with each other! Jane said her parents rented the place for her graduation, but I don't think it was so she could party all day and fuck all night! Well, anyway, once we got there, I noticed that there were no guys at all, she was lit, and we started drinking! The next thing I knew, we were all naked and making out! I never thought I would taste Sandra or Jane's pussies, and I sure as shit never thought they would taste mine, but hey, whatever! By the way, our friend Lisa took these pix—she couldn't join in 'cause she was OTR. LOL!

This little virgin wants to break her cherry—pronto!

Claudia

Okay, so, I waited 'til I was 18 to get laid. The problem is that now all the guys in my class think I'm a prude! I've tried asking some of them out, but they turn me down because they don't think I'm going to put out! But I can't wait to suck on a penis or let a boy lick my pussy! Look at my ass and tell me you wouldn't to do all kinds of sexy things to it! And I really can't wait to have some meat deep inside my tight cunny! It makes me crazy just thinking about it! I need cock! I don't want to go to college a virgin, 'cause that's fucking lame! Come on all you readers, help me out! Give all you can to the cherry popper's fund!

TITLE

I can't believe I'm going to say this, but I am fucking my next-door neighbor! I know it's wrong. He has three kids and he knows my dad and mom, but I couldn't help it! It totally happened by accident. I stopped by to see if he needed me to baby sit and he was just out of the shower and no one was around, and all I remember was that I grabbed his towel, dropped to my knees, and started inhaling his cock! Without any prompting, he ate my cunt and stuffed three fingers in me, getting me totally wet and ready for his rod! When he pumped my pussy, it was the best! We must have fucked for an hour! I never came that much and I sure as fuck wasn't going to miss out ever again! Now, anytime his wife is away, I always plan to stop by for a surprise visit! Look, just don't tell my parents, alright?

This sweet teen's got a dirty secret! Let's find out what it is!

The Naughtiest Porno

BREE'S SLUMBER PARTY

STARRING: Bree Olson, Aiden Starr, Kayden Kross, Penny Flame, Roxy Deville

DIRECTED BY: David Lord

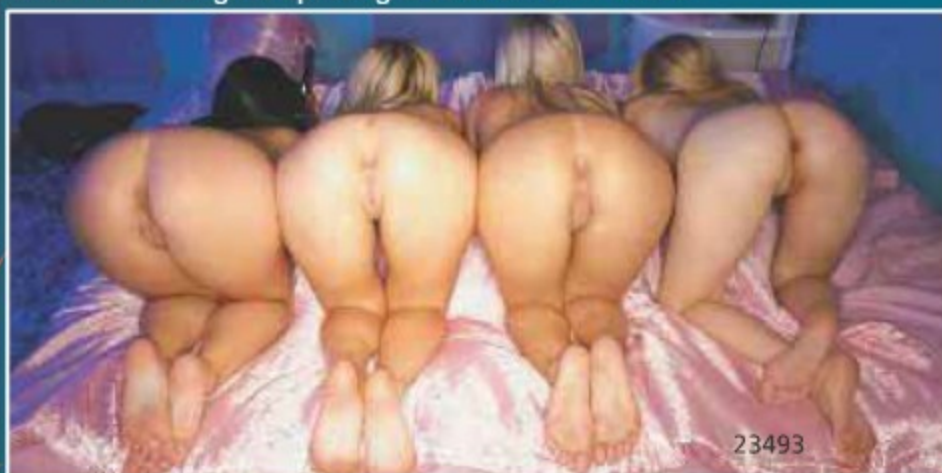

AVAILABLE FROM:

Adam & Eve

RUNNING TIME: 125 Mins

David Lord's "Pornumentary" begins with Bree Olson and Penny Flame dressed as school girls and arguing politics (I'm not kidding). This turns into a catfight that is eventually broken up

by Derrick Pierce. Soon both girls are munching on Pierce's poll and all is forgiven between the ladies. With the cock in a stiff state, Penny is the first to wrap the straining beef inside the walls of her clam. Bree is next to bop on the pole and the sweltering threesome ends with the girls splitting a load on their faces.

Lord injects himself between scenes to express his feelings about dealing with political issues, and other directorial visions he has for the movie. And while I myself did not find the political agenda to be hurting the movie, I did find the wordy thoughts of the director to be a bit self-indulgent.

Bree pays a brief visit to Roxy Deville and her man of the moment. I thought this was going to be a three-way, but Bree excuses herself and lets Roxy and her man get their fuck on.

The baton is passed to Aiden Star, who offers some funny pre-sex dialogue before laying back and getting drilled by the business end of her scene partner's lumber. Aiden knows just what her fans expect from her, and she proudly jiggles her awesome cans while her tongue is being painted pearly white.

The grand finale is a four-way pussy slam with Bree, Penny, Aiden and Kayden. It starts as a pillow fight, then leads to some hard, cock-shaped plastic being fitted into hot, dripping cunts.

The director deserves credit for trying to do something a little different with bizarre interviews and set-ups. However, when Lord is in the director's chair and the girls are the ones on camera, that's when this movie is doing its greatest service to its viewers. — Rick Majors

INITIATIONS 22

STARRING: Sabrina Starr, Sophia Lomeli, Celeste Mulet, Addison Lee, Jordan Star, Ellie Idol, Sayurii

DIRECTED BY: Ivan

AVAILABLE FROM: Anabolic

RUNNING TIME: 180 Minutes

Another long-running Anabolic gonzo series taken over by Ivan, this volume of Initiations is the best one released in years. Ivan has a knack for finding interesting angles and perspectives that don't interfere with the viewer's self pleasure. A lot of these director types think they're being clever with their cameras while they actually have no real skills beyond being a goon who conned his way up the ladder. At least that's how I see it after viewing tons of subpar DVD each year. Ivan has already shown that he has long paid his dues with his brilliant work for Extreme Associates. Now it seems like Anabolic is having Ivan put in time replenishing some of the long-running franchises in their catalog. He seemed to have a little more creative freedom over at Extreme with excellent stuff like Youth N'Asia, but his camerawork can still create heat between the viewer and the performer, and that's what he does here.

It helps to have some eager new starlets to work with and there's plenty here of cute cooze to choose from. Doing an intense, but not over the top gonzo like this is a surefire way for a gal to earn her hardcore stripes. Most of the girls are pretty much new to me with the exception being Celeste Mulet, who was already initiated by Max Hardcore big time.

Sabrina Star is a sexy big-titter with a sweet smile and a respectable sense of adventure. We got to learn a little about her before Tony T. jumped in like a wolf in heat, though thankfully I think Ivan has been a mellowing influence on the guy. Anyway, this babe has awesome jiggle jugs that do the safety dance in every position. She keeps her clear platform heels on for most of the scene much to her credit. What a great smile this girl has even without the goo.

Sabrina Starr is a young hottie with an amazing face that reminded me of Temptress, if anybody remembers her from the late 90's. This chick has excellent tits, the gusto for fucking and a shaved twat hotter than a cherry pie cooling on a windowsill. Pick this one up no doubt. — Greg Chapman

Movies With Young Horny Girls!

LOVE FOR THE FIRST TIME

STARRING: Carmen Hart, Abbey Brooks, Barrett Blade, Lindsey Meadows, Marcus London, Mr. Marcus, Randy Spears, Ryder Skye, Ron Jeremy and TJ Cummings
DIRECTED BY: Michael Raven
AVAILABLE FROM: Wicked Pictures

RUNNING TIME: 120 Minutes

At times humorous, campy and cheesy, Love For the First Time is the love story of character Bob Smith (Randy Spears), who lives a sad, but simple life alone in the Valley of California. A video store employee of Ron John's Video by day, Spears is on the nerdish side and gets ridiculed by co-workers for his ways, which includes eating peanut butter and jelly sandwiches and riding a bicycle to work.

When his colleagues find out that the middle-aged Smith is still the big V (virgin), they take him to a local strip club to try to get him a healthy dose of Vitamin P (pussy). While on their outing, Smith sees May Singleton (Carmen Hart), a bartender who is Smith's counterpart, shy and unassuming. She dreams of being a sex goddess, but she has a lot to learn about pleasing the meat-stick.

While at the club, Mr. Marcus fantasizes about one of the waitresses, Ryder Skye and buries his man-meat deep in her privates. Marcus is no joke when it comes to his on-screen performance, and he delivers the goods in the reverse cowgirl and doggie-style positions as Skye takes it like a pro. Although the scene is somewhat short, Marcus does manage to blast off a healthy dose of paste on her face.

Both Spears' and Hart's friends give them pointers on how to meet members of the opposite sex. When they attend a house party, Lindsey Meadows hooks up with one of the video store employees. What follows is some hot, nut-busting fun as Meadows takes a healthy dose of deep dicking in a myriad of ways.

When Spears and Hart get to know one another, he shows his sensitive side and after six months together — they finally do it. Although Spears initially fumbles with the condom, he eventually gets it right before he points his cock into her wet mouth.

For two nerds, the sex isn't too terrible. Spears pounds the poon in a devastating reverse cowgirl, which allows us to see Hart's tight little body and pierced clit. She rides his meat until he breaks off the hot white on her ass.

I won't spoil the ending, but all I can say is, this movie will warm your heart and your stroking hand. — Joey Bananas

MY SPACE 4

STARRING: Memphis Monroe, Mya Luana, Lorena Sanchez, Katrina Isis, Michelle Avanti, Pleasure Bunny, Camryn Kiss, Celeste Mulet, Mackenzie Pierce, Niya Yu, Sayuri, Faith Deluca, Larin Lane, Crissy Moon, Nicki Hunter, Dakota Brooks and Aurora Snow
DIRECTED BY: None Credited
AVAILABLE FROM: Sensation Pictures
RUNNING TIME: 180 Mins

After all these years of watching porn chicks get ruthlessly hammered in gonzo flicks, sometimes I take more delight in watching the solo strip tease segments that precede some scenes more than the sex and skullfuckery that follows. I enjoy seeing horny sluts strip and tease sensuously for the camera, throw in some dildos instead of the usual stuntcocks and that's the formula for My Space 4. By the way, the title has zero to do with everybody's favorite and most addictive social networking website.

This DVD gives you 17 self-satisfying sluts to choose from, so the odds are better than good you'll find several scenes to fall in love with for a night. My tactic is to search through the names and faces for fucktoys I approve of, then eliminate the ho's that don't make the cut for busting a nut. Lorena Sanchez starts things off with a torrid solo sequence where she adeptly fingers herself to fulfillment. The orgasm seemed genuine enough, but this is porn, you never know.

The first babe who really caught my wonder worm's attention was a sexy young brunette who I hadn't seen before by the name of Michelle Avanti. She's wisely wearing black stripper platforms, and she does a mesmerizing job of satisfying her cooze with a big blue dildo. I look forward to seeing more of her in future scenes.

Pleasure Bunny has amazing booty control, like a rap video hootchie. She's wearing some amazing black thigh-high boots and a slutty mesh top. Her tongue waves like a beckoning mollusk as she writhes around going to town on a dildo.

Dakota Brookes sent shockwaves down my pecker when she bent over and got her on knees to probe her pussy. Her ass looked fantastic because her sphincter seems relatively unscathed compared to all the other blown-out bangers in the biz.

Overall, if you're looking for a relaxing, yet totally satisfying experience then My Space 4 is a DVD you need to own.

There is nothing better than swimming naked! I hate tan lines, so anytime I can get completely undressed and get my tight little ass in the hot sun, I do it! My parents have this huge pool, and since they're always away at work or on vacation, I can get my naked pussy and tits tanned at any time! The thing is, lying out all naked gets me super turned on, so I usually end up fingering myself just to cool off! I don't care if my neighbors see me either! Shit, if they had any sense, they would come over and fuck me!

Her body's as tight as a drum! And like any drum, it needs a good banging!

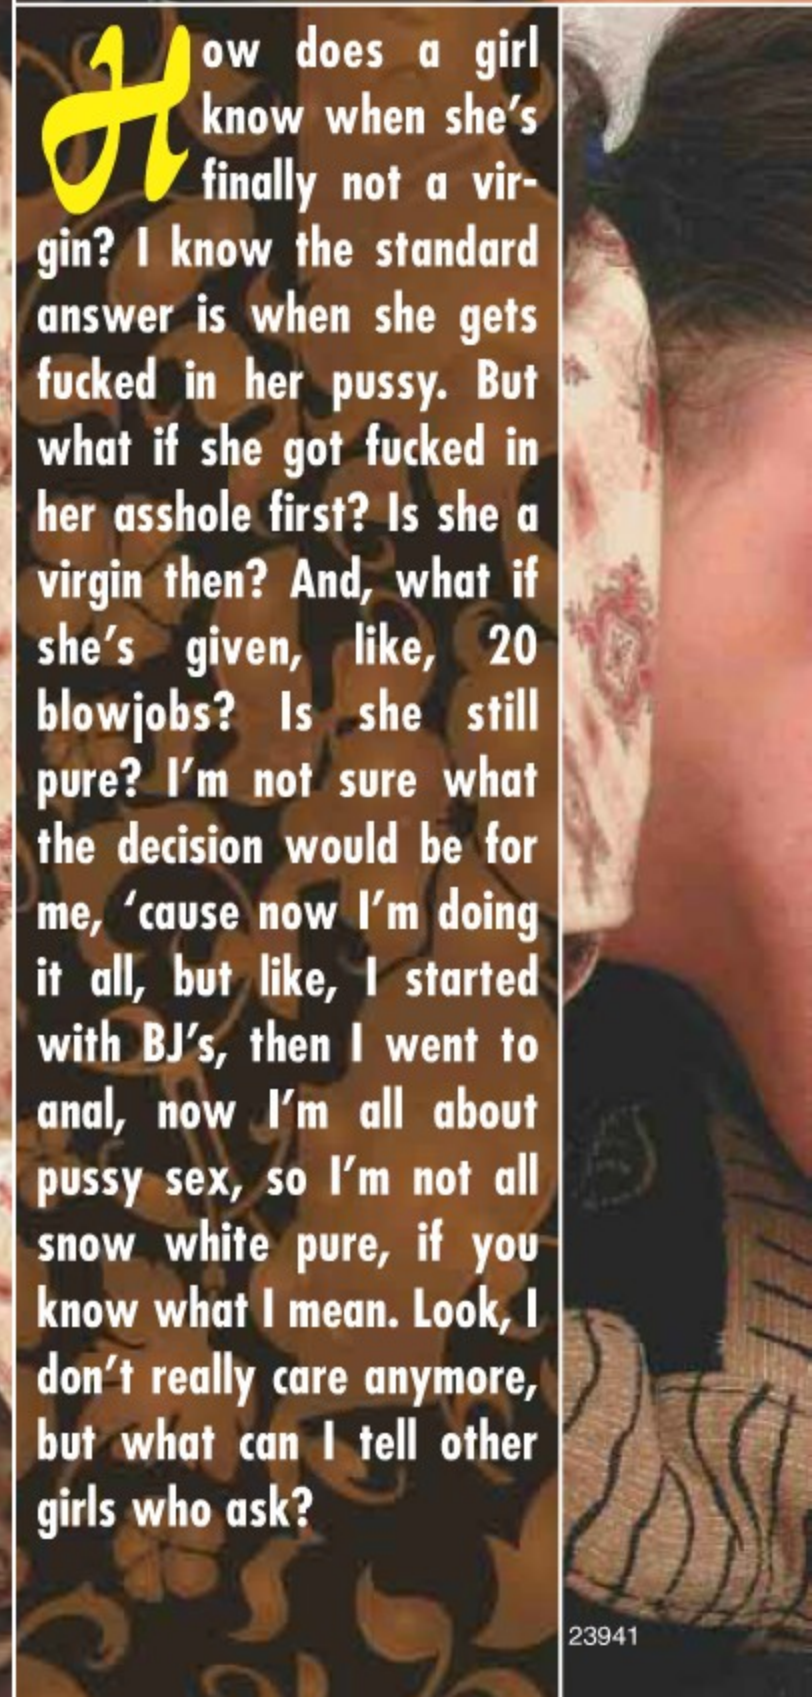

Eden & Chad

How does a girl know when she's finally not a virgin? I know the standard answer is when she gets fucked in her pussy. But what if she got fucked in her asshole first? Is she a virgin then? And, what if she's given, like, 20 blowjobs? Is she still pure? I'm not sure what the decision would be for me, 'cause now I'm doing it all, but like, I started with BJ's, then I went to anal, now I'm all about pussy sex, so I'm not all snow white pure, if you know what I mean. Look, I don't really care anymore, but what can I tell other girls who ask?

Eden's revelations on virginity have been revised! From oral to anal to vaginal—what does it take to really lose your cherry?

The first time I got laid was with my boyfriend, Dave, on prom weekend! We were both 18 and figured that since we were technically adults, we could do adult things! So, when we got to the hotel, Dave took out a six-pack of beer, some wine, and a box of rubbers. I didn't even question it. I just yanked his pants down and started sucking him off.

Before I knew it, Dave had my panties around my ankles and was eating my hot little box, sticking his tongue in and out of me like crazy! When he stuck his cock up my snatch, I thought I was going to cum all over! And when he jizzed inside of me, I felt like a real woman! We never did use those rubbers, but at least he was thinking about being safe!

I'm 19 and the resident director for my dorm. All the girls think I'm a bitch. All the guys think I'm a lesbian. It's only because when they're getting drunk and trashing the building, I have to be the one to put a stop to it. They think that I can't have any fun. But, those idiots are so fucking wrong it's ridiculous. I can't wait to get into my room, take out my dildo, and bang myself silly! The amount of girl juice that comes out of my cunny is so crazy, I have to keep a towel nearby! I can cum in just a few minutes and then

I'm ready for even more! Hey, if those drunken losers would turn off their music once in a while, they might hear me cumming and want to join in!

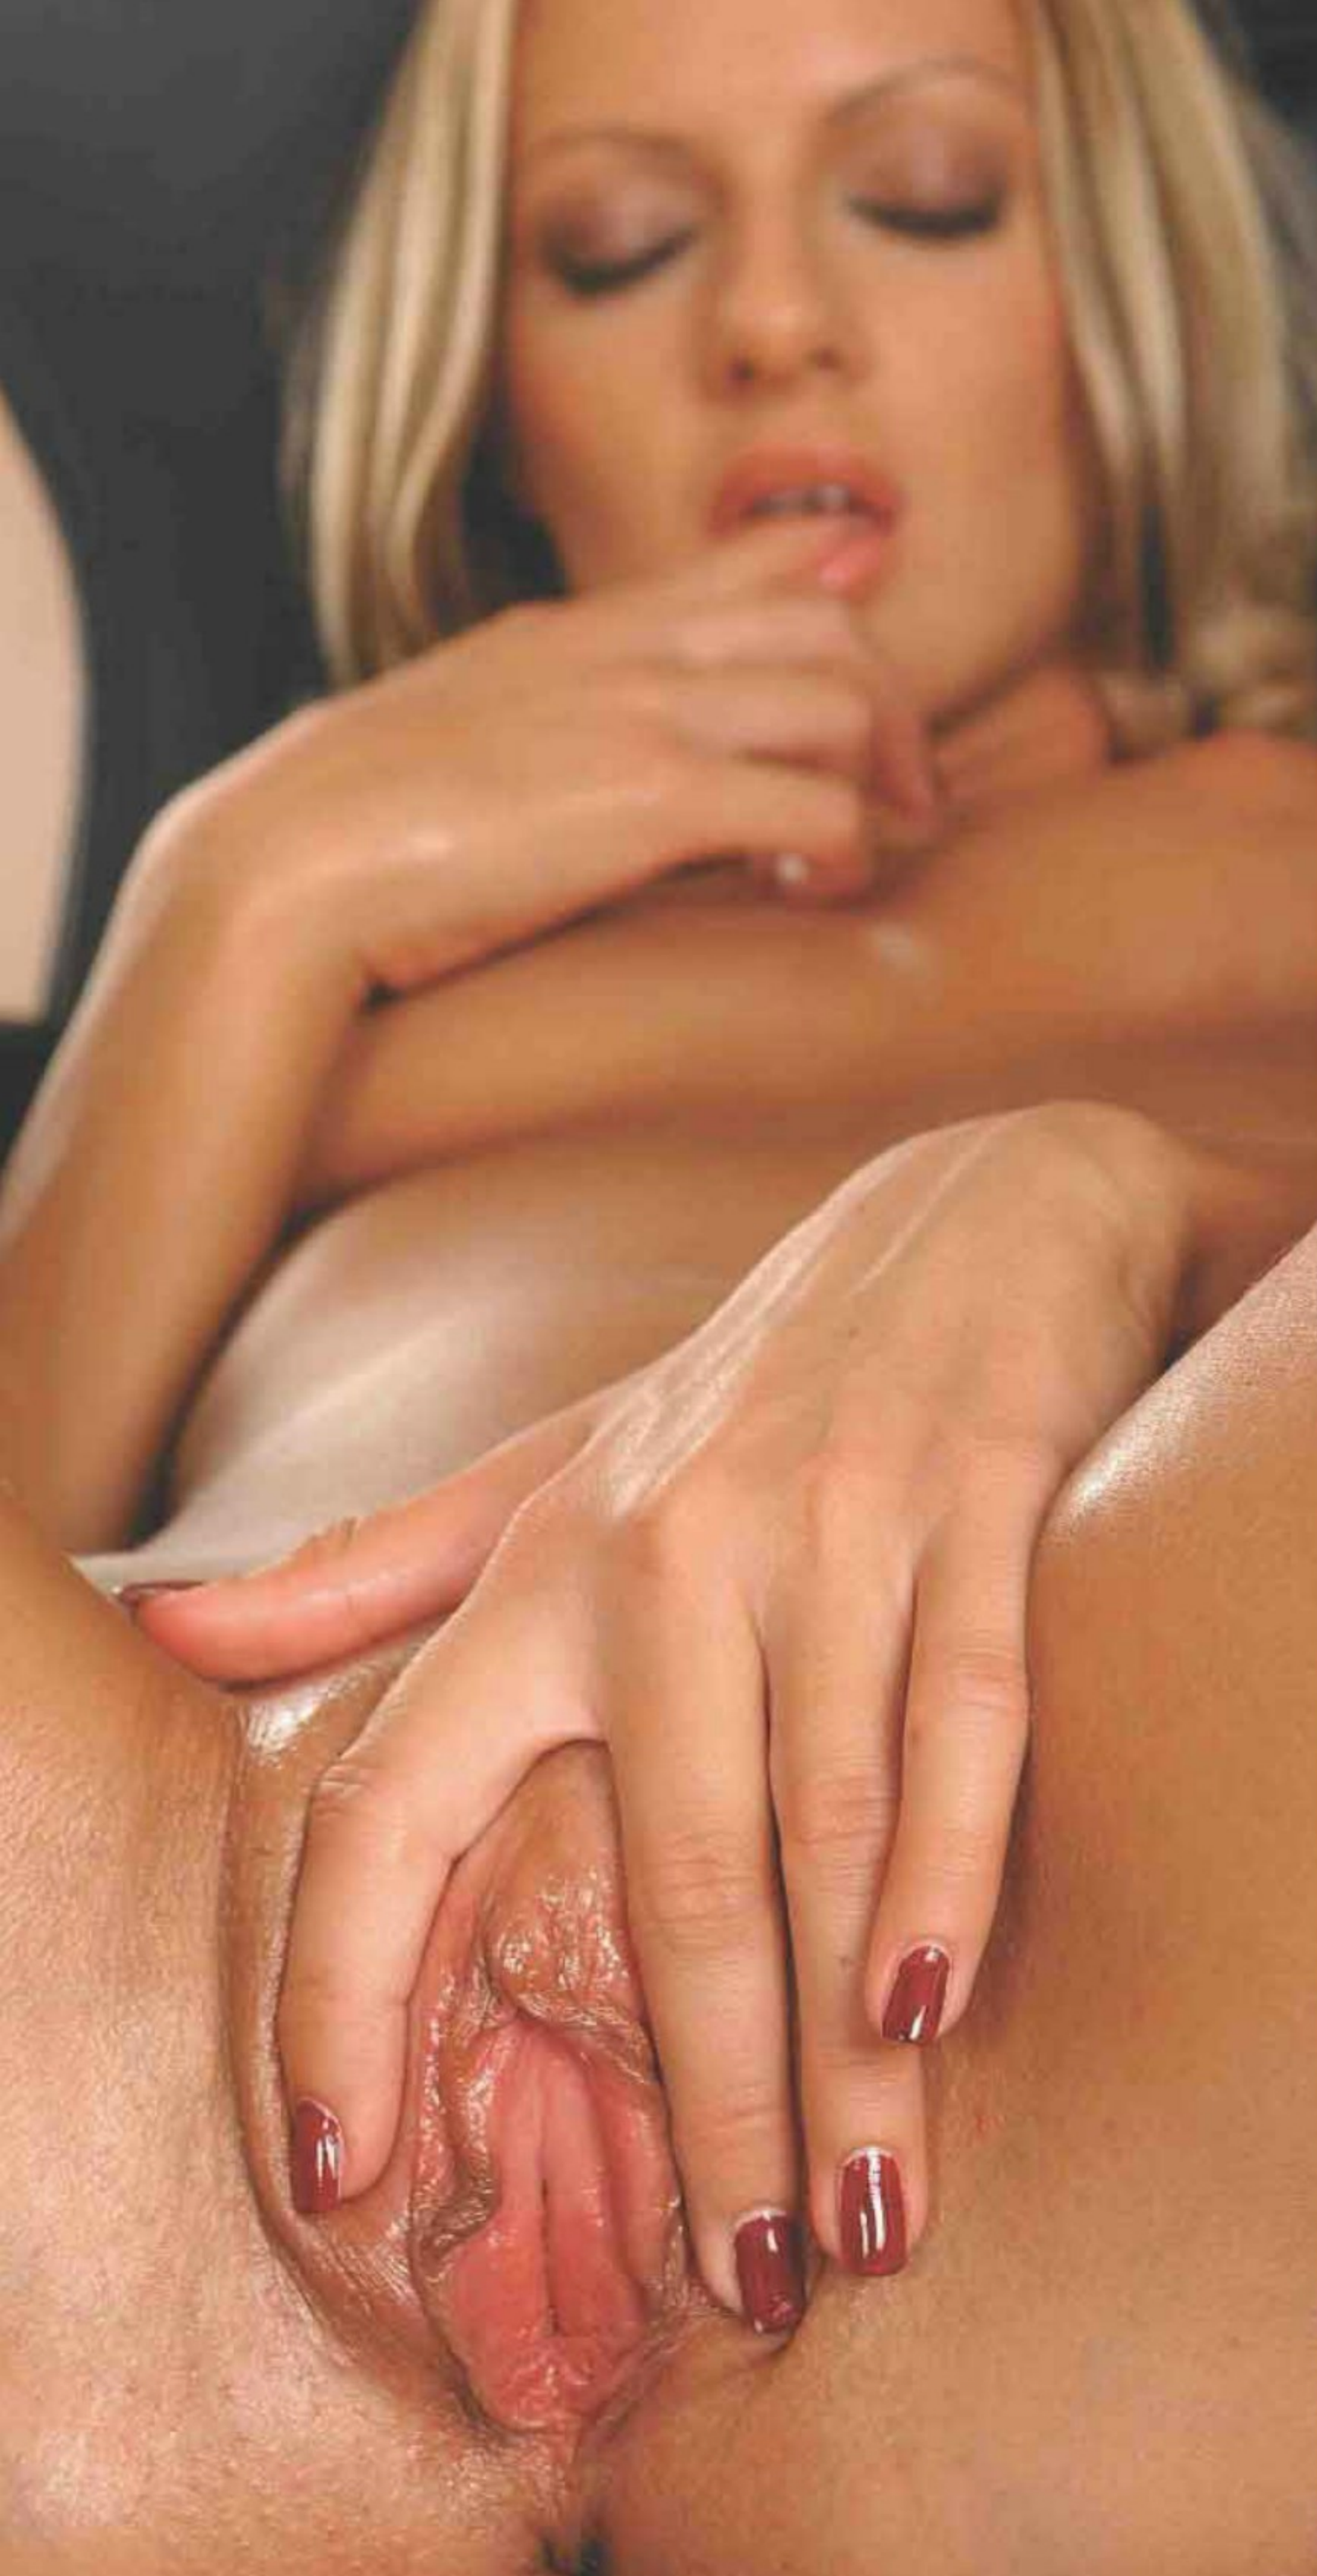

This hot college freshman is wise beyond her years! And, coincidentally, so is her pussy!
